ACKNOWLEDGEMENTS AND INFORMED CONSENT

I instruct the chiropractic physician and other providers to deliver the care that, in his/her/their professional judgment(s), can best help me in the restoration of my health. I also understand that the treatment offered in this office is based on the best available evidence and designed to reduce my symptoms. I also understand that any risks, contraindications, or alternative treatments for my condition will be discussed with me during my treatment. Although extremely rare, complications can include fractures, disc injuries, dislocations, and/or muscle strains. Some types of neck manipulation have been associated with injuries to arteries in the neck leading to stroke. This is heavily debated and studies show that this occurs between one in one million and one in five million cervical adjustments. Muscle soreness or stiffness is common, especially after your first appointment. Please discuss any alarming side effects with the doctor/providers if you experience any. Treatment will include a comprehensive exam and review of your medical history, imaging studies (if recommended), therapeutic modalities (e.g. muscle stimulation, decompression, dry needling), and the chiropractic manipulation. Finally, I ensure that, to the best of my ability, the information I have supplied is complete and truthful. I have not misrepresented the presence, severity, or cause of any of the health concern(s) outlined in this medical questionnaire.

NO-SHOW / CANCELLATION POLICY

Beginning in October 2021, our office has adopted a no-show fee of $25 for missed appointments.

We strongly encourage patients to add scheduled appointments to your phone's calendar as an appointment reminder, or we may give you appointment reminder cards upon scheduling your appointments. Unfortunately, due to software limitations, we are unable to send text message or email reminders for appointments.

We also appreciate cancellations to appointments with at least a 24 hours' notice when possible. We understand that under certain circumstances, cancellations must be made same day and this fee can be waived at staff's discretion; however, no-shows will be charged $25 upon arriving for their next scheduled appointment prior to their appointment being completed.
